

FOURTH DEGREE JUSTICE J. M. KING ASSEMBLY
MARCH 2019 NEWSLETTER

Faithful Navigators Message:

Sir Knights & Ladies:

We are now into the Lenten Season. Let us use this time to improve our relationship with Jesus Christ. The Church provides us with means and materials that enables us to listen and act upon. We are not always successful with what we set out to do, however we can make every effort to get back on track.

At the February meeting I touched on the topic of Spiritual Bouquet. We can make a commitment for a period of time to spiritually support our priests and seminarians. Attached is a form that can be used.

We have two Sir Knights that received their 4th Degree Honoray Life Membership Card Ken Gaffney and Ron Lacey.

On another matter, I have received correspondence from other Assemblies querying our decisions regarding the "New Uniform". The next District Meeting is April 6th in Comber. This topic will be raised. Be prepared to discuss at our March meeting.

Remember our sick and shut-ins in our daily prayers.

Our next dinner Meeting is Monday March 25, 2019.
