

FOURTH DEGREE JUSTICE J. M. KING ASSEMBLY

APRIL 2019 NEWSLETTER

Faithful Navigators Message:

Sir Knights & Ladies:

As I write this newsletter Palm Sunday is approaching, the final week of lent. The Easter Triduum from Holy Thursday through Easter Sunday is a special time. As Christians we know that Jesus died for us. While we all know this, unfortunately we are human and we do not always live by his example. During lent we focus more on Christ's teachings. Let us continue this practice.

On Saturday April 6th attended The London East Diocesan Association meeting held at St. Peters Seminary in the morning, then The 5th Ontario District meeting Visitation Parish Comber in the afternoon.

We have a new LEDA Chairperson. Martin Evers replaces outgoing Michael Holly, who accepted position of Diocesan Director for LEDA & LWDA replacing Leo Heppelle who held that position for five years.

Supreme has not extended the wearing of our 4th Degree Regalia beyond June 30, 2019. Members can wear their Tuxedo & Social Baldric for events. Supreme has not stipulated the consequences for wearing the Regalia. Former Master Jim Houston was very emphatic not to tell current Master that your Assembly will continue to wear the Regalia, as this puts him in a precarious position.

Our Master Reg Campbell plans to attend our April Dinner Meeting. Let us make an effort to attend. Our Dinner meeting will be on the 5th Monday April 29th since the 4th Monday is Easter weekend.
