

FOURTH DEGREE JUSTICE J. M. KING ASSEMBLY

MARCH 2020 NEWSLETTER

Sir Knight's & Ladies:

We are already into March. Look around and see the signs of Spring, the weather is a little warmer, we have more daylight hours and yesterday saw two robins in our front tree.

Last month I touched on what we can do for lent -- prayer, sacrifice and almsgiving. Now is a good time to reflect on what our goals were. If we have been distracted don't give in instead try to get back on track.

We will be having our Dinner Meeting on Monday March 23. Look forward to seeing you there. There will not be a 4th degree sponsored Euchre night this month as the Council is holding their Spring Dinner & Euchre Night on that Friday.

SK's remember our 2020 dues, same as last year \$25. Thanks to those who have paid. You can mail or leave payment in an envelope at the Knights hall office marked Adam Gulikers.

We also have purchased 12 Communion Pyx for use at both churches.

Our sick and shut-ins need our prayers and support. Give them a call, they enjoy the chat and find out things going on.

Lastly we now have the weekend mass schedule come July. While a number of parishioners are not happy, remember it is circumstances that have made these changes necessary.
